

## Registration continued

I acknowledge that participation in the activity described on this form involves risk to the Participant (and to Participant's parents or guardians, if Participant is a minor), and may result in various types of injury including, but not limited to, the following: sickness, bodily injury, death, emotional injury, personal injury, property damage and financial damage.

In consideration for the opportunity to participate in the activity described above (the "Winter Retreat"), the Participant (or parent/guardian if Participant is a minor) acknowledges and accepts the risks of injury associated with participation in and transportation to and from the Winter Retreat. The Participant (or parent/guardian) accepts personal financial responsibility for any injury or other loss sustained during the Activity or during transportation to and from the activity, as well as for any medical treatment rendered to the Participant that is authorized by the Sponsor or its volunteers (collectively referred to hereinafter as the "Youth Leaders"). Further, the Participant (or parent/guardian) releases and promises to indemnify, defend, and hold harmless the Activity Sponsor for any injury arising directly or indirectly out of the described Activity or transportation to and from the Activity, whether such injury arises out of the negligence of Mt. Zion, the Participant, or otherwise.

If a dispute over this agreement or any claim for damages arises, the Participant (or parent/guardian) agrees to resolve the matter through a mutually acceptable alternative dispute resolution process. If the Participant (or parent/guardian) and the Activity Sponsor cannot agree upon such a process, the dispute will be submitted to a three-member arbitration panel for resolution pursuant to the rules of the American Arbitration Association.
